SURFACE SELECTION

Colours and materials may vary from the images shown.

TEXTILES

Please note that not all textiles are suitable on all the furniture. On each individual model the standard textile options are listed. Some textiles are only available in a selection of colours.

CUSTOMER'S OWN MATERIAL (COM)

Customers can supply their own textiles. Textile requirements, based on standard textile 130 cm wide, can be given on inquiry. We reserve the right to reject textiles that we find unsuitable for upholstery.

Christianshavn™ is a timeless, wool mix textile designed by Fritz Hansen. Its 26 contemporary colours offer an immense variety in both unicolour and melange weave. It has superior comfort due to the wool mix and with its high durability and a 200.000 rubs martindale, it is suitable for all upholstered products in the Fritz Hansen collection. The name; Christianshavn leads back to where it all started. The young enterprising cabinet-maker Fritz Hansen started his furniture production company in Christianshavn - a central part of Copenhagen. Christianshavn can be used in private interiors as well as public areas.

SURFACE SELECTION

LEATHER

Please note that leather is a natural material with natural variation in colour and surface structure. The presence of scars and marks from bites etc. on the leather may occur and are characteristics of genuine leather.

Further information about materials, care and maintenance can be found on www.fritzhanzen.com.

CUSTOMER'S OWN LEATHER (COL)

Customers can supply their own leather. Prices excluding leather as well as leather requirements can be given on inquiry. Please note that only very few types of leather/qualities are suitable. Fritz Hansen retains the right to reject the qualities we find unsuitable.

SPECIAL LEATHER COLOURS

On inquiry and at a surcharge, special leather colours may be available for the models available with leather upholstery.
