Valid from September 1, 2024

## PRICES

All previous pricelists are no longer valid.  
All prices are quoted in EURO excl. VAT.  
Send all orders to: [order@lammhults.se](mailto:order@lammhults.se)

## TERMS OF PAYMENT

30 days net. We reserve the right to charge 2% interest / month on past-due payments. For larger order amounts, bank guarantees or other financial securities may be required with the order.

## PAYMENT

Bank: Danske Bank  
Sweden Branch, Stockholm  
IBAN: SE951200000012133600213  
BIC/SWIFT: DABASESX  
Payment by cheque is not accepted.

## RESERVATION REGARDING OWNERSHIP

Deliveries will only be effected at our terms of payment and delivery. The goods remain the property of Lammhults until full payment has been settled.

## WEIGHT AND VOLUME

Stated weights are net (kg) per product. Stated volumes are approx. freight volume incl. packaging.

Note! The freight volume for a product can vary depending on the quantity ordered, as stackable products are packed together as much as possible. As we constantly work to optimize our shipping in accordance with our quality and environmental work, changes to the specified packaging size may occur depending on the total content of the order.

## TERMS OF DELIVERY

DAP (Incoterms 2020)

Free delivery to warehouse of orders with a value over 1.300 EUR net.

A freight and administration fee of 120 EUR net will apply on orders below this value. A customs clearance fee of 50 EUR net applies for Switzerland.

Special requests such as on-time demand delivery or on-site demand delivery, warehousing, reloading, delivery to private person addresses or special truck types and equipments will be offered and charged separately. For deliveries directly to the end customer it is the dealer's/distributors responsibility to ensure accessibility for truck and trailer. If, according to carrier's judgement, not possible a freight surcharge will be added at prime cost.

Goods-marking other than the Lammhults standard is possible according to agreement but may result in an extra cost.  
Change of delivery address after the item has been despatched from Lammhults always entails an extra cost!

## CANCELLATION & CHANGE REQUESTS OF ORDER

The confirmation of received order forms the basis of the order and is expected to be reviewed by the purchaser within 48 hours. After 48 hours the order is considered approved by the purchaser unless otherwise notified. In case of changes in the order after an approved order, a fee of 120 EURO net will be charged, in addition to any spent costs for material and labor. Note that some material may be ordered immediately after an approved order confirmation.

In case of cancellation of order approved by the purchaser, the following terms apply:

- Earlier than 16 days before delivery, spent material and labor costs will be charged.
- 6-15 days before delivery, 50% of net price will be charged.
- 0-5 days before delivery, 75% of net price will be charged.

We reserve the right to make changes in construction without notice.

## PRODUCT WARRANTIES

Lammhults warrants to the original purchaser that standard products will be free of defects in workmanship and materials for a period of 5 years from the date of original invoice. For fabrics and leathers the offered warranty period is 1 year.

On Campus chair and armchair we offer 10 years warranty. On Campus barstool and Campus Air chair, armchair and barstool the warranty period is 5 years. All accessories have a warranty period of 5 years.

We offer 10 year warranty on all stackable Spira models (excl. seat & back in polyurethane).

For products certified according to the Nordic Swan Ecolabel, we offer spare parts for 10 years from the manufacturing date.

For special product variations the warranty period is 1 year.

Lammhults warranties do not apply to normal wear and tear, customer's fabric, customer's own or other third-party materials, effects of extreme temperature, unusual environmental conditions or outdoor use of products not specifically stated suitable for outdoor.

**IMPORTANT:** For additional purchases of chairs and tables in veneer or stain, color variations may occur due to the fact that veneer and stain matures with time.

**CLAIMS AND TRANSPORT DAMAGES** In case of claim or transport damage contact us on [claims@lammhults.se](mailto:claims@lammhults.se) with information regarding the claim incl. order number and images. The claim will not be processed until Lammhults has received all necessary information, images included. Lammhults may want the product(s) returned to the factory in order to process the claim. Lammhults shall after approved claim either repair or replace faulty products or parts.

For damages which have occurred during transport, the following conditions apply:

A. Evident damages on goods and / or packaging must be documented with a written note on the freight bill, with the signature of the driver. Product damages must immediately be reported to Lammhults in writing. Transport damages must be reported according to this routine in order for a claim to be accepted.

B. Concealed damages which cannot be assumed to have been evident at goods reception, or damages not evident due to large goods volumes received, shall be reported to Lammhults in writing immediately after discovery, but not later than 6 days after receipt of the goods. If examination of a complete shipment is not possible, the packing bill shall be signed "Goods unchecked" with the signature of driver.

All damages according to A and B should be documented with photos in order to facilitate the handling of the claim.

**DAMAGES AND DISPUTES** Lammhults is liable only for direct loss, and any compensation payable under the parties' agreement may never exceed 2.000 EURO. The parties' agreement shall be governed by the substantive laws of Sweden, explicitly excluding the United Nations Convention on the International Sales of Goods (CISG). Any claim, dispute or controversy between the parties shall be finally settled by Swedish courts. Växjö district shall always be the court of first instance.

**ENVIRONMENTAL CERTIFICATION** Lammhults is certified according to SS-EN ISO 14001& SS-EN ISO 9001 For more environmentally related information,

28 mm wood fibreboard in ash or oak veneer with matching wooden edge or linoleum with matching plastic edge when possible. The veneer direction follows the long side of the table. On linked tops, the veneer is matched. When ordering the integrated power port in veneer top, the hatches are made from a separate sheet of veneer, this may result in some difference in the grain from the table top.

**Frame**

Solid wood legs in natural ash or oak. Stained at an additional cost. For tables in linoleum, legs in ash are included and legs in oak at an additional cost. Beams made of extruded anodized aluminium.

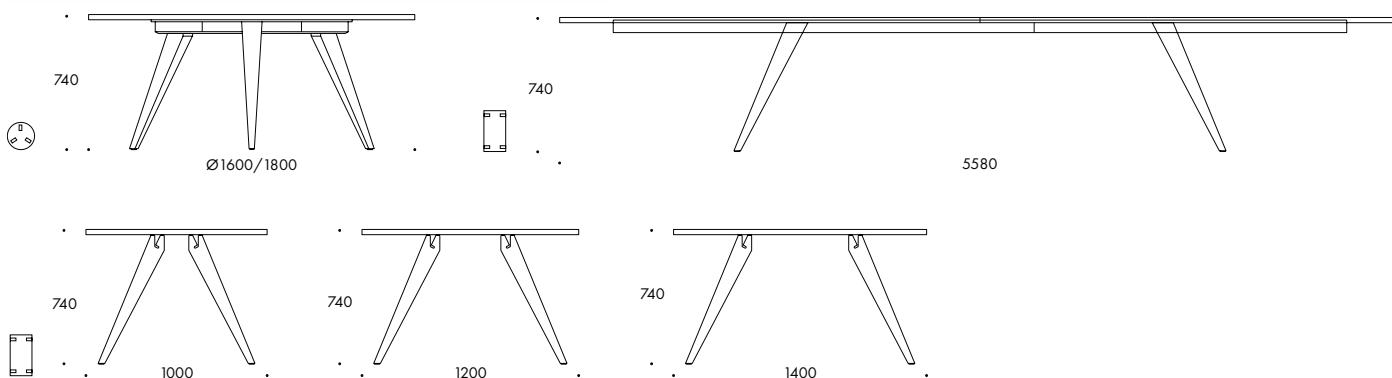

**Options**

Other shapes, sizes and finishes on request.

\*Additional set-up cost, see options.
