# A-Bench

- Modular system and thus suitable for a wide variety of uses, e.g. cafeteria, restaurant, co-working space and lounge
- High-quality moulded foam upholstery elements with pocket-sprung and cut foam inserts for outstanding seating comfort
- Choose from various linear linking mechanisms, either in rows or at 90° angles, or in a curve, also available with alternating seat direction
- Legs available in die-cast aluminium or optional solid oak wood
- Virtually invisible cross beams make the seat elements appear to float
