- Partition with an elegant, slender design for room and office vegetation
- Elegant connection of delicate, curved metal poles and plant containers
- Expandable, modular design with dynamic structures, both in height and length
- Forms various free-standing room configurations in two different heights for flexible room zoning
- Versatile applications in cafeteria, office and lounge areas
- Individual planting for designing simple green elements up to dense plant walls
- Floral design serves as privacy screen, improvement of indoor climate and well-being
