Space M Versions

Focus space for **1 person**

Do you have a task requiring focus? Close the door, adjust the height of the table, set the right light and focus on your work without being disturbed.*

*Chair is not part of the equipment.

Meeting space for **2 people**

Do you need to run a short, informal one-to-one meeting? This is an ideal solution for you. Seat on comfortable stools and talk in peace.

Technical information

Materials used

- Construction: a plywood framework filled with a proprietary composition of the best sound isolating and absorbing materials developed in the MuteDesign acoustic lab.
- Exterior: painted metal and veneer or laminate
- Interior: felt
- Glass: soundproof glass

Parameters

- Exterior: 1600 mm * 1200 mm * 2247 mm [length * width * height]
- Interior: 1404 mm * 1086 mm * 2080 mm [length * width * height]
- Width of left handed door: 892 mm
- Height of desk without adjustment: 760 mm
- Height of desk with adjustment: 625 mm to 1260 mm
- Height of table in a 2-person version: 1100 mm
- Height of the stool: 670 mm to 870 mm
- Weight: 450 kg

Acoustic properties

- One of the best sound insulation results on the market [ask us for more details]
- Very short reverberation time inside: $RT_{20} \leq 0,2s$
- Extremely quiet and efficient ventilation: noise generated inside <30 dBA / outside <32dBA

Energy consumption

- During operation: 8W [1-person] / 15W [2-person]
- In standby mode: 0.1W
