3-P daybed  
Art. no.: 2-452

### Description:

VENUS – a sofa with personality

VENUS is a new elegant sofa with a build-in sleeping function. The simple and light steel frame runs along the backside of the sofa – an exclusive detail that invites you to place the sofa in the middle of the room so the detail can be enjoyed. The build-in armrests and soft backrest create maximum comfort and in spite of the compact measurements VENUS is easily transformed into a bed to fit to adults.

Year of design: 2017
