That is why Marvel is available in three different colours and two sizes...!

CARPET YENGA

What we see in Carpet Yenga? Oh, boy, that's a lot. Let's give it a go... We see all kinds of shapes: squares, hexagons, diamonds. But the next time we see flowers and different colours from every angle! Yenga just seems to be different every time we look at it. Do you think it's weird that we compare Yenga with a kaleidoscope?!

Yenga is the latest addition to our Zuiver carpet collection. Look at the woven edge on both short sides. First time we've ever added such a refined detail to one of our carpets!

MOOSE

Carpet Moose is a special carpet. Not only because of the patterns, inspired by the famous Norwegian sweater. No, there are more reasons. Tell us, how many carpets have a brother from-an-other-mother? He is called Pillow Moose. Yup, we did it. We just had to use this comfy wool-cotton mix with its pretty woven pattern in more than one design. Besides, think how well styled your house will look when your throw pillow and carpet match? Smashing!

SALMON

We at Zuiver have a soft spot for Scandinavian patterns. Patterns like the ones on the famous Norwegian sweaters. We have finally found a way to incorporate them into our interiors: with Carpet Salmon. A nice wool-cotton mix, Soft to the touch and warm to the feet. Such a pretty woven fabric, we just had to use it in a runner and a pillow. GRAPHIC

There is something about graphic patterns. Wisely used they can be the most subtle home decoration. Unwisely used they can add psychedelic assets to your interior. So, basically, you can never go wrong. Especially not with our easy going Carpet Graphic. We embellished it with a black fringe for that extra oomph factor. Looking at the result we just couldn't stop. We wanted more. Therefore, we added a matching pillow. Pillow Graphic for the ultimate finishing touch. Needless to say they match perfectly and are made out of 100 percent cotton.

NORWAY

Picture yourself in a Norwegian winter. In front of the fireplace. Curled up on a comfortable warm, and yes, fantastic looking, hand-knotted carpet. It must be our Norway. But don't let us, or its name fool you, Norway can be used legally outside Scandinavia as well! And because we feel a carpet like this can hardly ever be too big, we also make it in a respectable XL size.
