Air-X

Text

Design Stefan Borselius

Air-X is a product in the Air family that forms a new graphic pattern with straight lines. The modules are made from pressed felt and are available in a wide range of colours.

Specifications

The modules can be combined with each other to form suspended sound absorbers in a number of shapes and sizes.

Diffusion

Measurements WxH (mm)

460x460 mm

The modules are assembled using plastic connectors (included). Airfilt colours are available in a 10-pack and a 3-pack. Other fabrics are only available in a 10-pack.
