

# OUTLINE SOFA SERIES

**ANDERSSSEN & VOLL ON THE DESIGN** “With the Outline Sofa Series, we wanted to create a visually light and elegant design with lots of comfort, translating aspects of modern architecture into the design through juxtaposing elements. Outline is created with slim proportions for a simple and elegant look, complemented by its generous seat and slender legs. There’s a calm serenity about the Outline Sofa Series, having a soft and deep seat with clean lines and a strong architectural presence, brought forth by its overlapping forms that bring a refined touch to the expression of the design.”

## THE LATEST MEMBER OF THE OUTLINE SOFA FAMILY: THE OUTLINE HIGHBACK SOFA

As the first highback sofa by Muuto ever, the Outline Highback Sofa arose from a desire to create design that provides both visual as well as acoustic shelter for its user. Designed by long-time Muuto collaborators Anderssen & Voll, the Outline Highback Sofa has an elegant and refined architectural expression with a functionality that allows for the user to retreat either alone or in groups into a separate spatial environment.

Designed to accommodate the changing needs of a modern, professional space, the Outline Highback Sofa works well for both relaxing or working on your own, having an informal meeting or as an element within an open-plan or lounge environment.

With its slender look and clean lines, the Outline Highback Sofa translates the architecturally light expression of Outline into a new environment, enhancing the sculpted shapes and inviting, deep seat that characterizes the Outline Sofa family.

Available as 2-Seater and 3-Seater versions, the Outline Highback Sofa is available in a range of textile and leather upholstery for a sophisticated and modern expression. The design comes flat-packed.
