Soneo

Soneo är en funktionell och stilren skärmserie. Med sin ljudabsorberande kärna skapar skärmarna ett behagligt ljudlandskap.

Soneo is a functional and clean screen series. With its sound absorbing core, it creates a comfortable soundscape.

Soneo finns både som golv- och bordsskärm. Bordsskärmen kan besmyckas med en funktionslist med olika praktiska tillbehör för arbetsplatsen.

Soneo is avaliable as floor- and table screen. A function rail can be added to store different kind of accessories for the workspace.

Skärmen är uppbyggd av en massiv träram fylld med ljudabsorberande mineralullskiva, klädd i tyg.

The screens are made from a solid wood frame filled with sound absorbing material, covered in fabrics.

Golvskärmarna kan användas som solitärer eller kopplas samman.

The floor screens can be used as single screens or connected together.

Tips from Abstracta!

Try our tool to create your own design: http://conf.abstracta.se, and choose among the different volumes, colours and materials.

Create better soundscapes by mixing different thicknesses on the panels. Panel thickness: 30, 50 and 100 mm.
