Artifort Extens kasten

Artifort Extens is een stijlvol modulair kastenprogramma voor kantooromgevingen. Bij Meinema Projectinrichting bekijkt u de verschillende kleuren, materialen en afwerkingen in onze showroom en ontvangt u persoonlijk advies voor uw interieurproject.

Artifort®

Extens

Khodi Feiz 2004

Artifort®

Corps:

The depth of Extens is 36 cm.

The material of Extens is 18mm mdf.

For the finish you can choose from:

- F06 oak veneer with a standard oil finish

or

- a fine texture lacquer finish

The back of the Extens is 18 mm MDF, finished in the same design.

Base:

- Aluminum legs Ø 22 mm.

- Black plastic floor caps.

- Finish: fine texture powder coat.

- The legs are placed 3 mm back at the front.

- At the back, the legs are placed 28 mm back.

- The legs have been placed back 100 mm on the sides.

- Corner profiles and grips in fine texture powder coat.

Shelves:

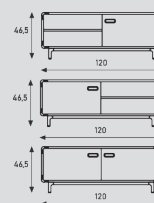

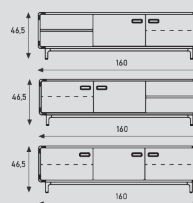

Not adjustable.

A colour disparity can appear between the same colour powder coat and lacque.
