BEKLEDINGEN EN COATINGS
Overzicht

Elke Forte is verkrijgbaar in meer dan zestig hoogwaardige kwaliteitsstoffen en leder met zeer slijtvaste eigenschappen. Artifort werkt samen met de bekendste stofleveranciers. Afhankelijk van de gekozen stoffering, zal na gebruik een bepaalde mate van plooivorming optreden. Dit is niet te voorkomen en geeft karakter aan de bank. Bekijk de kleurstalen bij jouw Artifort adviseur of ga naar www.artifort.com om alle opties te bekijken.

Combineer de bekleding met een Artifort poedercoatkleur voor de aluminium poten. Bij het poedercoaten wordt een kleurvaste coating aangebracht. Poedercoaten is minder belastend voor het milieu en geeft de bank een moderne uitstraling.

Bekijk de kleurstalen bij jouw Artifort adviseur. Het onderstel van Forte Table wordt ook afgewerkt in poedercoat.
