Rituals Suspension

Ludovica e Roberto Palomba

2012

Resembling the paper lanterns of oriental culture, but made with handcrafted blown glass with a pleasantly chalky appearance enhanced by slender incisions, in different and complementary forms. The horizontal lines are decorative but also filter the light, spreading its soft warmth into the room.

Rituals Floor

Ludovica e Roberto Palomba

2012

Rituals is inspired by traditional, oriental paper lanterns, but is made of precious, mouth-blown glass enriched by subtle engravings - reminiscent of the grinding technique - the result of skilled craftsmanship. The horizontal lines are a decorative feature and filter the light at the same time, spreading a warm and soft lighting effect throughout the room. Base available in three different colors.

Rituals Wall

Ludovica e Roberto Palomba

2012

Featuring special workmanship on the blown glass, with irregular lines that etch the surface to generate warm, vibrant light. Like the pedestal of a work of art, the L-shaped support of the wall version permits different solutions: the glass can be positioned upward or downward, or in a version that combines two diffusers.
