InClass Exa

INCLASS

Sleek, modern and lightweight, EXA is a functionally simple, sleek armchair for working, collaborating and meeting. The architectural aluminium structure, with flowing lines inspired by nature, gives it a distinctive personality and the sophistication required in modern executive and meeting environments.

Featuring an intuitive tilt mechanism and a mesh or upholstered backrest that instantly adapts to support the user, the chair gives a dynamic support and achieves the versatility needed for today's changing work styles.

The distinctive alluminum structure is available in black, white or polished finish. The backrest is available in a range of selected meshes or fully upholstered.

FINISHES

Base & structure finishes

M1 colours

W01

B00

Polished

Upholstery: Available in all fabrics and leathers indicated in our finishes book.
