

OPERA MODULAR SOFA

Description:

A modular sofa system with very compact dimensions, making it possible to use it even in small flats. The simple lines and clear separation of the seat and back element make it possible to create a wide variety of individual fabric-colour combinations, giving the user the freedom to choose the configuration and look that best suits their personality, budget and home.

Year of design: 2015

Design: busk+hertzog

Architects specialized in furniture / product design. The studio, today located in London UK, was established year 2000 by Flemming Busk (1967), architect MAA and designer MDD, and Stephan B. Hertzog (1969), designer MDD. busk+hertzog have received more than 40 international design awards for their works and their designs are a.o. represented at the Royal House of Norway, Danish Broadcast Cooperation, CNN, Chivas Regal, the Norwegian Embassy in Helsinki, the Carnegie Trust, and "The Modern" (Restaurant), Museum of Modern Art, New York.

Flemming Busk has worked with SOFTLINE since 1999, where he won our idea competition with his simple yet brilliant sofa bed SLEEP. Has also specially designed among other things the HELLO chair for the world famous pop star Kylie Minogue.
