GENERAL TERMS & CONDITIONS

GENERAL TERMS

0 CONTRACTUAL LANGUAGE

The contractual language is Dutch. The English version of these General Terms and Conditions only serves the convenience of the partner. In the case of conflict between the Dutch and the English version of these terms and conditions, the Dutch version will prevail.

1 APPLICABILITY OF THE GENERAL TERMS AND CONDITIONS

1.1 These General Terms and Conditions are applicable to all offers, agreements and deliveries concerning ReFelt B.V. trading as ReFelt and hereafter named "ReFelt", and all associated products. In these General Terms and Conditions, the opposite party to ReFelt shall further be referred to as "the Client".

1.2 Any purchase conditions of the Client shall not seclude or restrict these General Terms and Conditions.

2 OFFERS AND AGREEMENTS

2.1 All offers and quotations by ReFelt are without commitment.

2.2 Agreements between ReFelt and the Client are only achieved, when they have been confirmed explicitly in writing by ReFelt. Orders may only be cancelled upon approval by ReFelt.

3 DELIVERY TIMES

Delivery times as stated by ReFelt are solely an indication of a tendency and may not be seen as definite date, if it has not been agreed on otherwise in an explicitly written form.

4 FORCE MAJEURE AND CHANGES OF CIRCUMSTANCES

4.1 If, after the achievement of an agreement, the prices for primary products, wages, import procedures, taxes or other external costs (if not an effect of currency changes) rise, then ReFelt is entitled to adjust their retail prices accordingly. In such circumstances, ReFelt will inform the Client as soon as possible, which entitles the Client to terminate the agreement within 8 days.

4.2 If ReFelt is unable to execute an agreement as a result of force majeure, ReFelt is entitled to dissolve the agreement either in its entirety or in part or to halt its obligations until the state of force majeure has passed. The Client is then obliged to pay for the already delivered goods.

5 VARIATIONS

All data, models and images concerning colours, materials, measures and processing are sole indications. Occurring variations may not form a ground for complaints, compensations, termination of an agreement or price deductions, if these variations are considered to be of minor importance.

6 DELIVERIES

Orders are only delivered postage free, if it has been explicitly agreed on. If goods are not delivered postage free, ReFelt is entitled to charge shipping costs.

7 RISK

The risk for all products to be delivered, devolves from ReFelt upon the Client once they have left ReFelt's places of transshipment, whereby it is of no concern, what has been agreed on beforehand between ReFelt and the Client regarding transport and insurance.

8 REFUSAL OF DELIVERY BY THE CLIENT

If the Client refuses a delivery, ReFelt is entitled to charge him with all resulting costs. Furthermore, ReFelt may, in this case, terminate the agreement, reserving the right to demand total compensation.

9 PAYMENT

9.1 ReFelt is entitled to demand (partial) advance payment or pay on delivery at all times.
